

## TRACK XII= ENGINEERING ETHICS

Thursday, Feb. 1

8:30-9:25 a.m.

### Ethics for Engineers

**C. Vipulanandan (Vipu), Ph.D., P.E.**, Professor/Director CIGMAT, Director THC-IT, Dept. of Civil & Environmental Engineering, University of Houston

Vipu's current research interests are in pipelines, foundations, grouting, smart materials and environmental engineering. He has been the principal investigator or co-principal investigator for over 80 funded projects since 1984, amounting to over \$12.8 million. His work has resulted in more than 260 refereed papers, and over 160 presentations at national and international conferences.
