

UNDERGROUND CONSTRUCTION TECHNOLOGY

January 26-28, 2021

Music City Center

Nashville, TN

ASSESSMENT ZONE

The Assessment Zone, located in the UCT exhibit hall, is an area designed to demystify the technologies available for assessing and analyzing the structural integrity of the underground infrastructure.

Showcase your equipment and high-tech solutions in the Assessment Zone and help owners, engineers and contractors manage risks, avoid emergencies and plan for the future.

Sponsors receive:

- Display space
- Logo in promotional material
- Recognition on conference website
- On-site signage

Equipment and technologies needed:

- Advanced data imaging
- Augmented reality
- CCTV
- Data collection
- Drones
- Laser profiling
- Leak detection
- Machine learning
- Sonar

Sponsorships are open to UCT exhibitors (\$1,000) and non-exhibitors (\$1,500). The Assessment Zone is co-sponsored by the UCTA and is organized by industry personnel.

Help utilities avoid catastrophic failure. Sponsor the Assessment Zone today!
