

RehabZone 2022 Sponsorship Brochure

A UCT exclusive!

Jan. 25-27, 2022

REHAB

ZONE

A TRENCHLESS EXPERIENCE

Fort Worth Convention Center

Fort Worth, TX

The RehabZone™ is an exciting live exhibition

The RehabZone takes place in the UCT exhibit hall. This dedicated interactive “arena” enables attendees to compare and contrast with current technologies. Designed as a walk-through exhibit, the RehabZone focuses on trenchless rehabilitation including innovative technologies, installation techniques, live demonstrations, and opportunities for hands-on experiences.

The RehabZone is a crucial educational tool

It introduces and educates attendees interested in technologies for renewal, replacement and installation of collection systems, water distribution systems and all other utilities. Sponsors are the backbone of the RehabZone. Without sponsors and dedicated volunteers, the RehabZone could not be held each year. Gain additional exposure for your company while supporting the popular, must-go-to part of UCT. Sponsors are encouraged to bring equipment and generic educational materials/exhibits to the RehabZone.

Create even more excitement

Create excitement around your sponsorship with an Interactive Display. This sponsorship add-on is where attendees will be able to use your equipment, mix grout, etc., under your supervision. Interactive Displays are free for platinum and gold sponsors and are available for a nominal fee to silver sponsors. (Sponsor’s representative must remain with the display while the RehabZone is open.)

The RehabZone is a no-sell area

Technologies used to rehabilitate the underground utility infrastructure must be explained in a generic fashion. Attendees wanting detailed information must be directed to the sponsor’s booth on the UCT show floor.

Who May Participate:

Manufacturers/Vendors:

UCT exhibitors are allowed to become sponsors and earn the corresponding benefits. Non-UCT exhibitors may participate at a higher fee, corresponding benefits vary.

- UCT will cover the drayage costs for UCT exhibitor’s RehabZone display (shipping costs are the sponsor’s responsibility)
- Non-UCT exhibitors shipping equipment to the RehabZone will be assessed a \$1,000 surcharge for drayage (shipping costs are the responsibility of the shipper)
- Shipping labels will be sent to all sponsors. Freight received without proper label will not be delivered.

Technical Experts:

Answer attendee technical questions in your field of expertise (Only one hour required!)
