

Pipeline Owner/Operator Roundtable

TRACK IV-A : HDD

Tuesday, January 25

11:00 am – 11:55 am

Moderator: Paul Bearden, HDR Inc.

Panelists: Megan Riley, PE, **Duke Energy**; Patrick Coolidge, PE, **Dominion Energy South Carolina**;
Webb Winston, PE, **Williams Companies**

Providing insight into challenges associated with permitting pipelines, specifically HDD crossings, panelists will share details about the requirements they must meet to receive permits and maintain compliance throughout construction.
