

# UNDERGROUND CONSTRUCTION TECHNOLOGY ORLANDO, FL FEBRUARY 7-9, 2023

LOADING DOCK

**IMPORTANT:**

**Updated 11/08/22**

Revised floor plan is available at [uctonline.com](http://uctonline.com) (under "exhibiting" tab)

Booths are created in increments of 10'

Utilities are in the floor pockets

Island booths may not have a back wall nor will they receive a back drape

Booths may not block the sight line of the neighboring exhibitor

Unless creating and island booth, cross-aisle booths (826/927, 324/425, etc.) are not permitted

Final layout subject to Fire Marshal approval
