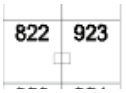
INVENTORY A/O Feb. 23, 2024

IMPORTANT:

1. Unless creating an island booth, cross-aisle (end cap) booths are not allowed. (Cross-aisles/end caps are booths in two different aisles. This configuration blocks the neighboring exhibitor's line of sight.)
2. Utilities are in floor pockets (the small square in the booth)



3. Island booths may not have a back wall/drape
4. In-line booths may not have a hanging sign suspended from the ceiling
5. Final layout subject to Fire Marshal approval
