Introduction to Equipment

Underground Infrastructure Conference

Construction. Rehabilitation. Asset Management.

March 4-6, 2025 | Houston, TX

Introduction to Equipment

- Robotically Deployed
- 100 % Solids Polymeric Material
- Monolithic Liner Bonds to Substrate
- Abrasion and Chemical Resistant
- Fast Cure Formulation
- Reduce Or Eliminate Excavations
- Navigate Complex Pipeline Geometries & Inclines
- Transit Multiple 90's
- Operate Up To 1,000 Feet From Insertion

Underground Infrastructure Conference

Construction. Rehabilitation. Asset Management.

March 4-6, 2025 | Houston, TX

Pipe Prep 20,000 PSI

Underground Infrastructure Conference

Construction. Rehabilitation. Asset Management.

March 4-6, 2025 | Houston, TX

Moving Into Position

Underground Infrastructure Conference

Construction. Rehabilitation. Asset Management.

March 4-6, 2025 | Houston, TX

24" ID 6th Coat = 180mils

Underground Infrastructure Conference

Construction. Rehabilitation. Asset Management.

March 4-6, 2025 | Houston, TX

- 100 % Solids Polymeric Material
- Sets in 20 Secs
- No Vocs
- Different Blends (Structural/Non)
- 100% Adherence on Elbows

Underground Infrastructure Conference

Construction. Rehabilitation. Asset Management.
